# Community Guides Program

The Central Market Community Guides provide a friendly and welcoming presence in the public realm of San Francisco's Central Market district. The Community Guides provide wayfinding and customer service to visitors while supporting local law enforcement agencies, social service providers, residents, workers, merchants and property owners in creating a clean, safe and welcoming Central Market neighborhood.

## The Central Market Community Guides:

- Act as “eyes and ears” for the community, safety agencies, and services providers
- Add a uniformed presence in Central Market to prevent undesirable behavior
- Assist pedestrians with directions and information
- Maintain open communications with police and safety agencies
- Help connect individuals in need of assistance to social service providers

The Central Market Community Guides Program is a community-based program in partnership with social service providers, safety agencies, and neighborhood organizations. This service is provided by the Central Market Community Benefit District through a contract with MJM Management Group.

---

# Clean Streets Program

The Central Market Community Benefit District enhances the attractiveness of San Francisco's Central Market district by providing daily cleaning services and responding to on-call maintenance issues in the neighborhood's public realm.

## **The Central Market Clean Streets services include:**

- Sidewalk sweeping
- Monitoring public trash receptacle overflow and trash removal
- Weeding of tree basins, sidewalk cracks and landscape planters
- Reporting of bulky items for removal
- Power washing
- Graffiti abatement
- Steam cleaning

The Central Market Clean Streets Program is provided by the Central Market Community Benefit District through a contract with MJM Management Group.
